RE: Solicitation – Knights of Columbus

Good morning! It is that time of year where the Knights of Columbus organization is out working with you on setting up their tag days.

Once again this year, to make the process easier for you, we have handled all Certificate of Insurance and Location Agreements with the regional Knights of Columbus office. You do not need to do any location agreements on an individual basis as we have completed that process in advance for you.

To confirm, Knights of Columbus are approved. If your solicitation calendars permit, you are all set to work with the Knights of Columbus.

If you have any questions, please contact Melissa Hill at Melissa.Hill@JewelOsco.com
