EMPLOYERS WITH CHARITABLE PROGRAMS

Because municipalities are banning collections on street corners, we must find an alternate source of collections. To that end, we have compiled a list of well known corporations that offer some type of funding to 501C3 organizations such as the Illinois State Council K of C Charities, Inc. **YOU MAY WORK FOR ONE OF THESE COMPANIES AND NOT BE AWARE OF THEIR PROGRAM!**

For the most part, contact your Human Resources, Employment, or Benefits Department to obtain a form. **READ** closely the criteria for your matching funds/grants/payroll deduction programs. As you will note below, some have a specific criteria for approving the funds such as: only educational institutions (School Special Ed Departments), or only organizations within the community i.e. Wal Mart.

Some employers have no stipulation other than the Giftee, (Illinois State Council K of C Charities) be a 501C3 organization.

Even if your employer is not on this list, please consult your HR Representative to learn if they offer a program and if so, apply immediately!

If you are an employer, consider creating a program of your own. Discuss this future possibility with your accountant to determine feasibility.
