## *Newman Campus Ministry Century Donor Program*

*The Century Donor Program* recognizes those individuals that have offered significant contributions of \$100, \$500, \$1,000 or more. To participate in the *Century Donor Program* individuals need not make a single donation of \$100, but can receive this award if their contributions total \$100 or more during a single fraternal year. You can be a *Century Donor* simply by making four contributions of \$25 to help support a “Home Parish on Campus” for our students. Your donation of \$5, \$10, \$25, \$30 or more helps Newman Centers throughout Illinois continue to make a difference on the college campus. The Centers provide pastoral services and ministries to their Catholic communities, in particular to the Roman Catholic student population on campus.

### *Newman Centers Are An Investment In Our Future*

*Century Donors* receive a new plaque, year plate, and a lapel pin on the 1<sup>st</sup>, 11<sup>th</sup>, 21<sup>st</sup>, and 31<sup>st</sup> years. On the other years, *Century Donors* receive a year plate for their plaque and a lapel pin that they can wear proudly.

Today campus ministry programs work to foster a faith that will grow as the students mature and accept more responsibilities in family, Church, and society. This is a faith that evangelizes! The Newman Apostolate Fund was created to support Newman Centers on college campuses in the State of Illinois. At a time when a young person’s faith is tested the most, Newman Centers provide a Catholic home to students who are away from their families for the first time.
