Dear Worthy Grand Knight,

Congratulations on your election/re-election to lead your council during the next fraternal year. As a member of the State Family, let me assure you that you have the best wishes for a most successful tenure.

I would like to offer you an opportunity that might ease your work load in a small way. As the Newman Chairman for the State, I ask that you appoint a Council Newman Chairman. This person would be responsible for keeping track of your council's Newman goal, motivating your member's participation in the program, and presenting any Newman news that I or the State Office will send out. This person would also be the liaison between your council and the State regarding any issues such as plaques, pins, etc.

Below, you will find an information space for your selected Council Chairman. Please fill it out and return it to me at the address shown above and again, congratulations on your new position.

Vivat Jesus,

*Erik Lockett*

State Newman Chairman
