TO: District Deputy  
RE: Degree Protocol, Registration and Responsibilities

Please familiarize yourself with the following Instruction for a Major Degree when hosting a Major Degree.

**CONSTITUTIONAL ROLL:**

When a council is hosting a 1st Degree or a 1st Degree is held before a 2nd and 3rd Degree, 1st Degree candidates sign the Constitutional Roll. Only 1st Degree candidates sign the roll. A candidate who has taken his 1st degree at another council needs to go back to his home council and sign its constitutional roll; Not the roll of the host council.

**MAJOR DEGREE SIGN IN SHEET:**

During a Major Degree there is a separate sign-in sheet for all candidates to sign. When the last candidate has signed in the District Warden will retrieve the sign-in sheet.

**REGISTRATION:**

During a Major Degree the registration table needs to be staffed one-half hour before the degree up to the entry of the last candidate and the DP who is usually the last person entering the antechamber. The registration table should be outside of the antechamber. Ideally the Financial Secretary and an Insurance Benefit Representative should staff the registration table. Form #100's should not be returned to the candidates. They should be returned to the Financial Secretary of the respected council for each candidate. No Form 100's are to be distributed in the antechamber.

**OPENING AND CLOSING OF MAJOR DEGREES:**

This is very important for proper protocol. Proper introductions of the CO, the Assigned State Officer(s), and all dignitaries should be observed. It is the responsibility of the host District Deputy to deliver the Final Charge, which should be done by memory or, at a minimum, well read. Until the CO arrives, the DD is in charge of the degree.

If you have any questions or concerns, please do contact me.
