My Brother Knights,

### **March Madness? Or March Gladness?**

For the jurisdiction of Illinois it was certainly March Gladness. On March 14 and 15, our Supreme Knight, Carl Anderson visited Illinois. It was a great honor on behalf of the 71,000 Knights of Illinois to welcome our Supreme Knight to Chicago. On Friday evening, March 14, the Supreme Knight attended a special Mass at Holy Family Church celebrated by Francis Cardinal George. During the Mass the Supreme Knight presented the council charters to Saint Michael The Archangel Council 12173, the Chicago Police council and Saint Florian Council 12911, the Chicago Fire Department council. Earlier in the day the Supreme Knight visited the Chicago Fire Department Training Academy and the Chicago Police Department Fraternal Order of Police Lodge. On Saturday, March 15, the Supreme Knight marched in the St. Patrick's Day Parade. It was the warmest St. Patrick's Day Parade that I can remember. It was a great honor for me and your state officers to march down Columbus Avenue with our Supreme Knight, Carl Anderson, Supreme Secretary, Charlie Foos, Ron Tracz, Assistant to the Supreme Knight, Leo Segalla, Supreme Program Consultant, Vice Supreme Master Joe Kaltwasser, Masters, Nolan and Santowski, and 90 plus Sir Knights in regalia. This was a historic day for the jurisdiction of Illinois and certainly the highlight of my 30 years as a member of this great Order of the Knights of Columbus. **Yes, March Gladness!**

I have also in witnessed this March Gladness at our Membership Rallies. The rallies have been held in the Dioceses of Rockford and Joliet. It has been a pleasure for the Rally Team to visit with our Brother Knights and assist them in the planning of not only the continued successes of their councils, but the continued presents of the Knights of Columbus in their communities. The Rally Team will be visiting our Brother Knights in the Dioceses of Chicago, Belleville, Springfield, and Peoria the last two weekends of March and the first weekend of April. **Yes, March Gladness!**

Due to all of the pictures and other articles in this newsletter addition, I will have to continue the Gladness and the Good News of the Knights of Columbus in Illinois in the next issue.

Vivat Jesus,  
Bill Spainhour  
State Deputy

### **REPORT OF THE STATE MEMBERSHIP TEAM**

John Peters, State Membership Director  
Larry Smith, State Membership Director

Brothers:

#### **WHEN YOU WISH UPON A STAR ...**

Now is the time to begin the final preparations for your councils to receive the "STAR COUNCIL" award. If you've had an opportunity to attend the Membership Rallies, you know what you need to do. As with everything else, paperwork needs to be submitted: your Officer and Director reports, your Fraternal Survey of Activities, your semi-annual audits, and of course, the COLUMBIAN AWARD application.

Of course, MEMBERSHIP is an integral part of the STAR COUNCIL criteria. With the growth that we have seen thus far, we should have many STAR COUNCIL winners this year. This is a credit to you, Worthy Grand Knights, and to your Councils. Without your combined efforts, the Illinois jurisdiction would not be seeing the POSITIVE happenings around the state.

#### **FOUNDERS MONTH STARTS WITH A BANG!**

What a glorious beginning to the month of March, as we prepare to enter the last quarter of the fraternal year! On Sunday, March 9, there were 113 new Brother Knights welcomed to the Order: 24 at Dixon; 29 at Highland; and 60 at Teutopolis. Add to these the new Brother Knights that received their First Degrees earlier in the week, and you've got the start of a fantastic month! What a wonderful tribute in honor of our founder, the Servant of God, Fr. Michael McGivney! Thank you to the Host Councils, Grand Knights, District Deputies, proposers and Degree Teams for jobs well done!

The early March efforts are a strong continuation of the work seen through the end of February. We continue to “put out into the deep” and make the Order stronger. Illinois ranks second among Division I jurisdictions (behind Texas) for net gain (recruitment and retention, less suspensions and withdrawals). Through February, thanks to your efforts, Illinois has a net gain of 1,076, or 76 percent of our net gain goal for the fraternal year with 4 months left to recruit. Again, congratulations to all Grand Knights and Councils for hosting First Degrees and Major Degrees this year! Without your efforts, we could not *Open Wide the Doors to the Knights of Columbus in Illinois*. We look forward to hearing even greater things as the year continues.

Again, brothers, remember: If you are POSITIVE in your attitude, your Brother Knights will be POSITIVE in their attitudes; the result will be that Illinois will be POSITIVE in membership growth and spirit. As you can see by the numbers, we are seeing the results of that POSITIVE spirit and attitude.

**CONGRATULATIONS** to the 48 councils that have reached their net gain goal for the year, and there’s still time for them to grow further! Kudos to their Grand Knights and Brothers for their efforts this year; we look forward to seeing continued growth through the rest of this year from them and all councils in Illinois.

**CONGRATULATIONS** also to Illini Council #2782 for being among the top 3 college councils in highest net membership gain with 33 as of February 28. In Illinois, the leader among established councils in net gain through the end of February is Tri-Cities Council #1098 with a net membership gain of 48. Among our new councils established this fraternal year, St. Cecilia’s Council #13216 has taken in 53 new Brother Knights.

#### **IN HIS HONOR...IN THEIR HONOR**

The membership campaign to honor our priests and bishops by recruiting a Catholic man to join our Order continues. Many Grand Knights are presenting the cards provided at the State Convention to the honorees; some were even forwarded to the State Council offices. More cards are available when (not if) needed. Remember to recruit a new member to help our Order grow strong and so that we can continue to offer support to those who have devoted their lives to serving God, Church and community. Honor those priests of your diocese that are celebrating jubilees with a First Degree; honor your parish priest, your chaplain and other priests. Remember: we stand strong behind our “Men in Black!”

#### **FIRST DEGREES AND MAJOR DEGREES**

Check out the State Council web site ([www.illinoisknights.org](http://www.illinoisknights.org)) for the most recent schedule of First Degrees and Major Degrees. Perhaps YOUR COUNCIL could be the one that will host a degree that will be the one to put us over the top.

Don’t wait for a Major Degree to schedule a First Degree! Worthy Grand Knights, work with your District Deputies to try and schedule a monthly First Degree for your council or district. A First Degree is a great way to get the Brother Knights in your council involved in helping your council to grow. First Degrees are also great ways to renew old friendships and fraternal ties.

If your council doesn’t have a First Degree team, then now is the time to start one! Contact State Ceremonials Chairman Gary Nolan, PSD, for more information.

#### **NEW COUNCIL DEVELOPMENT**

NCD efforts are continuing throughout the state. We are thisclose to forming a new Council in Brighton, Illinois; by the time you receive this newsletter, the Council may already be in place.

Many thanks to our State Program Consultants, our Diocesan Program Consultants, our District Deputies and all those Grand Knights and Brother Knights who are supporting our efforts at bringing the message of the Knights of Columbus to all of Illinois. We anticipate more good news as the fraternal year continues. The seeds of Columbianism are being planted all over Illinois, and we are starting to see the new growth that comes from hard work and love. What a beautiful spring season awaits us!

#### **DON’T FORGET...**

GET THOSE FORM 100s MAILED IN AS SOON AS POSSIBLE AFTER A CANDIDATE HAS RECEIVED HIS FIRST DEGREE!

#### **FINALLY...**

*On behalf of the entire Membership team, we wish you all a prayerful Lenten journey and a most blessed Easter! Vivat Jesus!*

## **Illinois State Council 105<sup>th</sup> State Convention May 23<sup>rd</sup> – 25<sup>th</sup>, 2003 Springfield IL**

Let's all meet in Mr. Lincoln's Home Town for our 105<sup>th</sup> Annual State Convention on the weekend of May 23 – 25, 2003. The 2003 State Convention of the Illinois State Knights of Columbus will be held at the Hilton Springfield Hotel, 700 East Adams Street, in Springfield IL. The Hilton is the host hotel for our convention. It is perfectly set up to ensure a great weekend. New for 2003, the Hilton Springfield is in the final stages of completing a \$3 million renovation of the Hotel from top-to-bottom, including a new restaurant on the 30<sup>th</sup> floor featuring Italian cuisine. With a variety of room accommodations, 70% non-smoking, everyone can be sure their exact preferences can be met. Your committee has also secured a block of rooms at the Renaissance Hotel immediately across the street from the Hilton and a block of rooms at the Mansion View Inn only eight blocks away and at a lower rate.

Your Convention Committee has put together a full weekend of activities to keep all family members interested and involved. On Friday night the welcome party will have "Take Me Out to the Ballgame" as the theme. There will be theme-appropriate games, music and fellowship, in great abundance. Costumes are encouraged and **will** be judged! There is a Ladies Luncheon and program on Saturday. On Sunday morning, there will be a Ladies Hospitality Room and also, Chairperson Diane Kinyon will host the Ladies Auxiliary Mini-Convention. We will have a program in place for children also.

On Friday evening join us for a welcome party where you can catch up with old friends and make new ones. This year's Friday night party in commemoration of the 30<sup>th</sup> Anniversary of Roe v Wade, bring a baby item such as bottles, blankets, diapers, pajamas, etc., for admission to the party. These items will be donated to several Crisis Nurseries. Come to the Friday Night Social dressed in your favorite team apparel (if you are a winner St. Louis Cardinals) or any type of baseball clothing. While dressing up is optional, costumes will be judged by a Cardinal fan, just kidding.

Saturday's activities start with a morning Prayer Service, followed by the Civic Reception open to everyone. Please plan to attend the Ladies Luncheon featuring delicious food, entertainment and the annual Ladies Raffle. Following the luncheon, visit our Ladies Creative Showcase featuring various presentations including Home Interiors, Longaberger Baskets, Jewelry Making and Craft Items. The Ladies Creative Showcase offers you the opportunity to view, browse, admire or purchase the products featured during the presentations. Saturday evenings festivities include a Concelebrated Mass followed by the State Deputy's Banquet. Plan on bringing the whole family as there will be children's programs available during both the Luncheon and the Banquet.

We encourage you to invite several members from your councils to attend any of the activities and meetings. All members can attend all meetings, but only delegates can vote on Sunday morning to elect our new State Officers for the coming year. Those who live within driving distance of the Convention can plan on coming over for the Friday Night welcome party, Saturday Mass at the Prairie Capital Convention Center, immediately adjacent to the Convention Hotels, and the State Deputy's Banquet. There will also be several Hospitality Suites to visit where you can connect with all of your friends, old and new.

**KAYLEE ANN HAVRILKA BENEFIT**

Kaylee was born on June 12<sup>th</sup> and was called home to God on January 23<sup>rd</sup>. She is the daughter of Paul (III) & Melissa Havrilka of Alma, IL and the granddaughter of Paul (Jr) & Judy Havrilka of Woodlawn and Brad & Theresa Miller of Dix. Kaylee's dad is a Paramedic with Fayette County Hospital in Vandalia and also works with Litton Ambulance part time. He is a Volunteer Fireman with Kinmundy-Alma Fire Department and has 2 semesters to complete to get his RN at Kaskaskia College. Melissa is a CNA and worked at Vandalia and Doctors Nursing Homes before Kaylee arrived. She was part of Positive Youth Development that put on an annual musical in Woodlawn. January 17, 2003

Kaylee Ann was with us for 7 ½ months and spent 5 of those in St Louis Children's Hospital, mostly in the Pediatric ICU. She had 6 surgeries during her short time of which 4 were related to her congenital heart problem. She was on a ventilator for her entire life and she battled with pneumonia after her last heart surgery before her kidneys finally gave out. She was a tough little girl fighting back after all these adversities. We always had hope that each one of the surgeries would be the last and she would soon recover. She was home for 2 ½ months in the late summer and early fall and we had 3 really great days with Kaylee in the hospital on her last weekend when she was baptized. As her dad said a few days before she went to heaven, "God needs her by his side more than we do. Please pray for Kaylee, to seek the real freedom in God's love."

While most of the hospital bills were covered by insurance, there are several doctor bills and 24-hour home nursing care bills that are currently in excess of \$35,000. As the medical bills continue to come in, we anticipate this amount to rise to as much as \$60,000. Paul and Melissa are just starting their lives together, and are unable to meet these extra expenses.

Msgr. James P. Burke Council # 2964 of the Knights of Columbus is sponsoring a Mostaccioli Dinner & Dance with a benefit auction on Saturday evening April 5 at St Mary's Parish Center in Mt Vernon. Tickets are \$10 for adults and \$5 for children 12 and under. We are encouraging several community businesses as well as sports teams and celebrities to make cash donations or to donate items for the auction. This is how the Knights hope to help raise most of the necessary funds for their brother Knight Paul and his wife Melissa. There are also cash and quilt raffle tickets being sold and we are looking into a Special Bingo on another date. We hope that everyone will be able to help in some way. Thank you for your support.

**Message from the State Treasurer's family:**

**Paul & Judy and Paul III and Melissa wish to express their sincere appreciation for all the prayers for Kaylee Ann. While she was only with us for a short 7 1/2 months, she touched many hearts and brought many people closer to God. God gave us 3 really beautiful days with her before he called her home on January 23rd. One of those was the day she was baptized. She was very alert and paying close attention to Fr. Bert as he went through the ceremony. One of her nurses said that she new how important this day was. Thanks for all your prayers and support.**

### KNIGHTS OF COLUMBUS DONATES \$1 MILLION TO SPECIAL OLYMPICS

NEW HAVEN, CT < Special Olympics athletes from throughout the United States, Canada and Mexico will travel to the World Summer Games 2003 in Dublin, thanks to a \$1 million grant from the Knights of Columbus.

Supreme Knight Carl A. Anderson, chief executive of the Catholic fraternal society, announced the \$1 million grant at a Feb. 14 meeting of Special Olympics state executive directors in Orlando, Fla. The Knights of Columbus has had a relationship with Special Olympics since the programs inception because our organizations see the potential in every human life, Anderson said.

The grant will be applied toward transportation costs of Team USA, Team Canada and Team Mexico to Dublin for the Summer World Games, June 20-29. The Knights of Columbus has members in those three countries, among others.

Annually, Knights at the grassroots level report raising and contributing to Special Olympics upwards of \$2 million and another \$18 million to other programs for people with mental retardation. Knights have also provided financial support and volunteers for past summer games since 1987. Sargent Shriver, husband of Special Olympics founder Eunice Kennedy Shriver and the organization's chairman of the board, is a member of the Knights of Columbus.

## Resolutions

### Resolutions for the 2003 Illinois Knights of Columbus State Convention

At the 2002 Illinois Knights of Columbus Convention, there were 42 Resolutions presented for consideration by the delegates to that convention. 8 Resolutions had to be forwarded to the Knights of Columbus Supreme Convention for further consideration.

At this time, I wish to remind councils that in order for resolutions to be accepted for consideration by delegates to the 2003 State Convention councils must follow the guidelines set forth by the Illinois State Council Knights of Columbus by-laws:

#### *Article III Section 6 - Resolution in Writing - Reference:*

“All resolutions, petitions, recommendations of changes, amendments to laws, request for funds requiring an appropriation from the treasury of the Illinois State Council, or requiring a collection from or subscription by members of the Order, etc., shall be **submitted in writing and certified by the Recording Secretary and the Grand Knight with the council seal affixed.**”

“Resolutions shall be referred without reading or debate to the Committee on Resolutions. Delegates must forward resolutions to the State Deputy at least thirty-five (35) days in advance of the Illinois State Council meeting. All such resolutions shall be referred by the State Deputy to the Committee on Resolutions ten (10) days thereafter. The Committee on Resolutions shall convene to review such resolutions and authorize for immediate dissemination all such proposed resolutions to all local councils by the Executive Secretary. Resolutions pertaining to the fiscal budget or other current affairs arising within said 35 day period are excluded from said limitations period and dissemination contingencies”

The text of the resolution should contain several “**whereas**” paragraphs stating the facts or conditions that already exist. The last paragraph “**Therefore, Be It Resolved**” should contain the statement on what the council wants approved. [A sample format is included on the reverse side of this letter.]

All resolutions should be sent to the attention of the State Advocate [28W484 Donald Ave, West Chicago IL 60185] **no later than April 16, 2003. Resolutions postmarked after April 16, 2003 will not be accepted.**

If you require assistance or have questions regarding submission of a resolution, please contact me at 630-231-2640.

### CAMPAIN PROTOCOL

As the Illinois State Convention is almost upon us, Phil Barone, State Advocate, would remind and make a request to ALL involved in the upcoming elections that will take place at the convention. Although it is impossible to cover all situations and circumstances, certain guidelines, protocols and procedures are well established and should be adhered to as follows:

- The use of the State Council Membership directory for “solicitations” and “fundraisers” without the written approval of the State Deputy is prohibited.
- In speeches, campaign literature, and all other materials, the word “consideration” is to be used in lieu of “support”.
- Buttons, banners and other promotional pieces should not include wording such as “Tom Jones for Advocate”, “Candidate for”, or words to that effect. For informational brochures, heed the words of Joe Friday, “Just the facts, Ma’am. Just the facts.”
- No campaign buttons, banners, signs or paraphernalia are permitted in the business session or in the caucus rooms at the State Convention. Such items may be distributed at the Friday Night Social or in your hospitality suite.
- Only official state convention banners and signs may be posted in the hallways, elevators, restrooms or other public areas of the hotel(s).
- Nominating speeches for state officers are limited to three (3) minutes. There will be no more than three (3) seconding speeches. These seconding speeches are limited to thirty (30) seconds each.
- Council resolutions asking for consideration of the delegates for a particular candidate similar to those for Supreme Council Director are not prohibited but are not encouraged at the State level.
- The above rules also pertain to those seeking to be delegates to the Supreme Convention that will be this coming August in Washington D.C.

By abiding to the above protocols, we can all have the enjoyment of the true fraternity as only the Illinois State Convention can provide.

If you have questions/concerns please feel free to contact Philip J Barone, State Advocate by phone 630-231-2640 or email at [pjbarone@ameritech.net](mailto:pjbarone@ameritech.net).

## Vocations

Moreau Seminary with traveling trophy

It looks like the NBA to me

The Thrid Annual Mundelein Seminary/Illinois State Council Knights of Columbus Basketball Shootout was a big success. There were eight teams from seven seminaries participating. Two teams from **Moreau Seminary** on the campus of Norte Damr, South Bend Indiana (Order of the Holy Cross), this is where Bishop Jenkey is from. **Kenrick/Glennon Seminary**, St. Louis, Missouri, **Immaculate Heart of Mary Seminary**, Winona, Minnesota, **St. Meinard Seminary**, St. Meinard, Indiana, **Conception Seminary**, Conception, Missouri, **St. Joseph College Seminary**, Chicago, Illinois and the host **Mundelein Seminary**, Miundelein, Illinois. There were over 90 players participating. Each team had it's own coach, spiritual advisor and many brought along their own cheering section.

First place traveling trophy was presented to **Moreau Seminary team #1**. Second place went to **Mundelein Seminary**, and Third place went to **Conception Seminary**.

Seminarians enjoying the pizza party

The "Taste of Chicago" was held at **Mt. St. Mary Seminary** Emmitsberg, Maryland on Friday January 10,2003. The event was sponsored by the Illinois State Council Vocation Support Program. Since this was a "Taste of Chicago", and Chicago has five professional teams, some say 4 ½, Ron and Diane went shopping to the nearby Sports Authority and purchased five tee shirts that were on sale ( Cubs, Sox, Bears, Hawks and Bulls). All of them were approx. \$15.00 each except the Cubs shirt was only \$ 6.00 What a buy, or it just shows what there worth. These were also raffled off. The major door prize was a football autographed by Brain Urlacher of the Chicago Bears Football Team. The donation was made on behalf of the Chicago Bears through Former District Deputy Kevin LeFever who works for the Chicago Bears. When PSD Ron Ziemba and PSD Bill Brown left the party the seminarians were busy watching the movie "Blues Brothers". What a great evening!!

This tournament comprised of teams from Wateska Council # 4391, Gibson City Council # 7372 and Paxton Council # 8229. Regular baseball rules, with exception were used. Teams consisted of 4 members of each council and played 7 innings of darts. This tournament was last held In 1996 and the traveling trophy was dusted off and was presented to the winners, Wateska Council # 4391. Fraternalism rang throughtout the competition and everyone went home saying, "Let's do this again". This tournament will be held semi-annually, in September and February. They are also thinking of indoor Horseshoe Tournament, that will be something to see!!

## Blitz of Hunger

On Saturday February 15, 2003 a "Blitz on Hunger" campaign was conducted by the Knights of Columbus of Utica Father Marquette Council # 1775 and LaSalle Calvert Council # 792. The Illinois Valley Food Pantry provided a wish list of non-perishable food items. Many, if not aoo, of these items were put on sale by the participating stores and shelf marked as a food pantry item. In partnership with Eagles, Econo Foods, HY-VEE, Illinois Valley Food Center and Save-A-Lot as well as printing services from Staples the Knights collected 3000 pounds of food that was donated to the Illinois Valley Food Pantry. Approximately \$860 was also donated to the food pantry by shoppers. The Illinois Valley grocery shoppers were very generous and deserve a tremendous "THANK YOU".
