Highland, IL ♦Council 1580

Since 1980 Knights of Columbus councils from around the country have been gathering Labor Day weekend to compete in the Knights of Columbus National softball tournament. The tournament has a tremendous history of creating friendships and fraternalism. There is an annual fraternalism award given at the end of each tournament. There is an open division, a masters division (40 and over) and a fraternal division for those that want to participate in the brotherly activities but don't play enough for the other competitive levels. Families are always encouraged and local activities for kids are always planned. All Knights of Columbus teams are welcome and if you don't have enough for a team or want to play, you are welcome.

***You do not have to win your state tournament to participate.***

Family friendly, convenient small-town atmosphere with St. Louis a little over a half hour away.
