PRO-LIFE FUNDRAISER PUZZLE PROGRAM

Once again, the Illinois State Council is offering councils an opportunity to attain their Pro-Life goal with a program that is easy to accomplish. Through the purchase of patriotic themed puzzles, we Knights can demonstrate our patriotism and love for country during our upcoming observances of Memorial Day, Flag Day and Independence Day.

As before, your council will secure a donation to its Pro-Life goal while raising funds to put towards whatever they wish at the same time. Families will again benefit from quiet time together thereby promoting our “Building the Domestic Church – The Family Fully Alive” initiative. We Knights can demonstrate and display our Catholic values as nothing promotes personal contact and conversation more than sitting around a table constructing a puzzle. What a fun way to re-connect with children, one’s spouse or your own thoughts.

The purchase price of a 500 or 550 piece puzzle is \$15 and includes shipment to your council or assembly. Any combination of the 3 puzzles offered can be selected for a total of 12 per case. The order form must be accompanied with payment and sent to the State Office before the order will be placed. No online ordering will be available. Puzzles can be ordered at any time and normal order processing and shipping time is approximately 4 business days from the date the order is placed by the State Office.

\$5.00 per puzzle will be applied to the councils Pro Life Goal!

Your council or assembly can give puzzles as thank you gifts, award them to members and parishioners or sell the puzzles as a fundraiser. However the puzzles are used, your council or assembly will show its involvement in the Church and in the Community.

Fun activities attract prospective members. What a great way to promote membership and display our Catholic values to church and community while raising funds to further our Pro-Life activities.
